Dear CAP members,

This is a NOT-TO-BE-MISSED OPPORTUNITY!!!!!!!!!!!!

When Esther Heydt passed away last year, she was apparently convinced that she'd live for at least another 100 years.

She had collected a lifetime of puppet-making stuff, which her daughter Andrea has decided to offer at a Garage Sale. None of Esther's puppets are included, but a garageful and several other rooms of stuff ARE included.

Come and see what bargains are available, while sharing in the fellowship of having known Esther and her vitality and love of puppetry.

Directions to Esther's House: From Beaverton- Hillsdale Hwy: Go to Raleigh Hills. Turn right on Oleson Rd and immediately turn right on Scholls Ferry Rd. Go 1/2 mile and turn left on Raleighwood Lane. Go to the bottom of the hill and turn right on 70th Avenue. Go to Gable Pkwy and turn left. Esther's driveway is the first one on the left.

From HWY 26 West - Sunset Hwy: Take Sylvan Exit #71B. Follow signs for Scholls Ferry Rd.-Raleigh Hills. Go just over a mile until you come to Gable Parkway. Turn right on Gable Parkway and go about 1/2 mile until you come to Esther's house on the left at # 7030.

If you get lost, call Andrea at 503-297-7091.

NEED NEOPRENE ?????????

Jason Ropp is getting ready to order a 55 gallon drum of 501 Neoprene from Chicago Latex. He's offering multiple gallon quantities at far below what is charged for single gallon or 5 gallon purchases directly from the factory. If you are interested, call Jason at 503-312-5979.

my goodness, some leftover space. Whatever shall we do with it? Perhaps we could discuss the meaning of life, or better yet, how puppetry fits into the big scheme of things...
