September 23rd Meeting

At the next CAP meeting, **September 23rd @ 7:00 pm** we will have a backstage tour of the ScreamAtTheBeach Haunted House at the Janzen Beach shopping center.

Those of you who participated in the July corpsing workshop can come see your handiwork and all the backstage robotics and puppetry used in all the attractions. The guided tour will feature special effects, hydraulics, lighting & animatronic effects.

We will meet in the old NW Rugs building next to Sleep Country and Video Only (At the far end of the Jantzen Beach SuperCenter parking lot past Circuit City). It is now the **ALIEN INVASION!**

Jason Ropp of Dragon Theater Puppets made many of the alien props and puppets including a 19 foot tall momma alien! (If anyone is available, ScreamAtTheBeach still needs volunteers to help with the attractions and scare people!)
